Listed below is a current 30 SW personal computer systems training schedule. Classes are open to active duty military and DOD employees only. Walk-ins are welcome on a space available basis. The classes do not require knowledge of the individual programs but a working knowledge of Windows is required. We recommend taking the classes in the following order: Word, Excel, PowerPoint, and Access.

Computer Based Training (CBT) Facility. In addition to the existing traditional demonstration/lecture courses offered at the computer training facility located within Bldg. 9360, MCA Engineers, Inc. also reserves specific 4 hour blocks of time for those students interested in completing Computer Based Training (CBT) courseware. This provides an alternate method for those military or DOD civilians who are unable to satisfactorily complete CBT's at their Personal Computer in their regular work environment.
